

We are excited to offer the Choir **Cougar Paws** as a choir fundraiser this year.

The paw prints around campus have traditionally been a sign of spirit within the campus. It is so exciting to see your own name, as a student, or your child's name, as you walk up to the school. It is also a great way to support your child's extracurricular activity. The following are the dates to paint your individual paw.

Starting 8/24-25 Board members
Starting 8/26-27 Booster club members
Starting 8/30-31 \$50 level
Please only paint on sunny days. The rain will wash it away.
